Dear Mr. Haslem:

Re: Mining and Reclamation Plan, Ziegler Chemical Gilsonite Mines,  
M/047/013, Uintah County, Utah

The public notice on you mine plan has now completed the 30 day period without comment. Therefore, all that remains is the bond and then the plan can be submitted to the Board of Oil, Gas and Mining for approval.

We are awaiting your contractor quotes so the bond can be finalized. We found out that I-4 is on a state lease and is covered by a bond therefore, this amount can be deducted.

Please submit the contractor quotes to us by December 21, 1987, so we can finalize this case.

Sincerely,

Lowell P. Braxton  
Administrator, Minerals Resource  
Development and Reclamation Program
